

RFQ 27/21/IA: Procurement of a Service Provider to Conduct Cyber Security Review (External Penetration Testing) on SASSA Online Services

| No | Company Name | Question | Answer | Response Date |
|----|-------------------------|--|--|-------------------|
| 1. | BOWLINE SECURITY | Can we propose a 12 month monitoring program instead of a point in time test | limitations and timeline for the projects are outline on the RFQ | 19-10-2021 |
| 2. | BOWLINE SECURITY | Please clarify how many external facing IP addresses must be quoted for | SASSA currently has 14 IP addresses | 19-10-2021 |
| 3. | BOWLINE SECURITY | Are you looking for a Non-intrusive pen test or an Intrusive Pen | Non-intrusive pen test is required as we don't want to disrupt any services while conducting this. | 19-10-2021 |
