1. RESPONSE 1 (11-12-2020)

	Bidder	Bidder Query	SASSA response
1.	Babalo (27 September 2021) mailto:babalo@nokocorporate.co.za	<p>1. Please note that the above BID NO bears reference to this email. Kindly confirm the correct closing date of the bid, as on the advert it states that it closes on the 1st OCTOBER 2021 but on the tender document it says the closing date is the 13th OCTOBER 2021, PLEASE CLARIFY.</p> <p>2. Also please note that the tender document does not have a pricing schedule, please advise as to how we should submit the prices.</p>	<p>1. Bid will close on the 13th October 2021, 11H00. The advert will be corrected to reflect as such.</p> <p>2. The pricing proposal must be in accordance with the detailed specification attached to bid documents, to also refer to Annexure A and Page 5-6 of the Terms of Reference for guidance and reference purposes.</p>
2	Victor Khumalo khumzamotheo750@gmail.com	<p>Please provide the following info:</p> <ul style="list-style-type: none"> • No. of employees • No. of readers or access points • Will you need access control via an entrance door will you need a mag lock or a turnstile? • We will need a network point close to where the reader will be installed • Do you require time & attendance as well as access control? • We will also need 220V power close to the reader 	<p>We require 400 multispectral fingerprint scanners (as per specification). The multispectral fingerprint scanners will be used to enroll staff and beneficiaries.</p> <p>It will not be used for access control</p> <p>The multispectral scanners will be used in SASSA's Non Repudiation Program (NRP). The NRP solution reduces fraud by having the users authenticate (using the fingerprint scanners) every time they perform a high risk transactions.</p>
